The president, Town Mcl Chickmagalur No: Be 149 /ii-08 dt 25-8-68 furnishes information called for in L No 1259/7-8-68 from the Dte

36) The president Mcl states that the action was taken, as the Adikarnatakas living in the vicinity of the shops were pressing for the shops to be shifted from that place, and also on the advice of the Commissioner for Depressed classes and the Special officer for Depressed classes in the State. The lease was only on a rental basis and there is no breach of contract. The objections of the vendors were duly considered and they have been given a shed to vend Mutton for the year 1968-69

40) The point is that the President knew very well that the fact had on the anvil the bill for the prohibition of Car Hampshire in the State & that it would be passed & enacted into Law shortly. He could have waited & it was now become an fact accomplished fact & the Act has come into force

further, he could have waited till at least the Act passed order on the resolution of the subject to close the Mill of steels & put 5 48. If this had been done, the lease year would have been over & there would not have been complaints from the public which were due to the sudden closure of these Mills & Hampshire [illegible]

The point is whether the vendors by the Contracts of the ~~Act~~ Ceiling Act have agreed not claim any compensation for the alleged loss if any, consequent on the above action if they do, the Mld will have to meet the ~~the~~ claim. This point will have to be clarified before taking action, if any, in the case.

Petition Submitted by the Beef consuming Citizens
Chikmaglur.

Honoured Sir,

We beg to bring the following grievances of ours for your kind consideration and request that favourable orders may kindly be passed :-

We the residents of Chikmaglur and adjoining places who are accustomed to beef since our childhood, were suddenly put to lot of inconvience and troubles on account of the sudden closing down of the beef market in an arbitory manner.

On enquiry we care to know from our regular suppliers that they have been served with an order by the local Municipality to close down their business. Beef medically recognized as rich food containing proteins and locally the physicians describe "Beef" soup in various cases . More over most of the Middle clas and poor class people not being in a possession to purchase the costly mutton are accustomed to beef since years together. Your honour may kindly realise owing to the day by day increase of prices of food-stuffs . The poor class people are pulling on with semi starvation and at this juncture , beef especially the food of poor class is stopped and given dead blow for all even without consulting the connected public or the higher Officers of the Government. We really feel that it is nothing but our misfortune.

We therefore earnestly beseech you to intervein between the dispute of the Municipality and Stall holder and save us by arranging for proper and regular supplies of beef at an early date.

Thanking you in anticipation,

We beg to remain,
Yours most obediently,

Chikmaglur.

REVENUE GOVERNMENT

Dear Sir,
D. 13/5

I have received a letter from the Assistant Secretary to Government, Revenue Branch, in reply to my telegram dated 5-48 that the prohibition of slaughtering of cattle should not be given effect to untill sanction of Government is obtained

In this connection, I wish to bring to your notice the Council decided to prohibit slaughtering of cattle on 14-?-1948 A reference was made to Government for sanction Though it is nearly two months sanction of Government is not received The public as well the Officers visiting the places advised me to take immediate action in this connection I learnt from Special Officer for Depressed Classes in the State prohibition of slaughtering of cattle is given effect in some other Municipalities

Under these circumstances, prohibition of slaughtering of cattle is given effect from 1-5-1948 in anticipation of Government sanction

It is most annoying to me to see such a reply from the Assistant Secretary when people's Government is in powers It was thought that a question of this kind would get the fullest support of the Government, Congress is powers every where, and it is the Congress that preached us to discourage killing of Cattle when this is done, it is the duty of every congress men to give her support to such an action

As such, may I request you Sir to keep up the prestige of the Congress to chine and the prestige of the Council the action taken may kindly be approved and sanction of Government accorded at your earliest conveni-

Petition Submitted by the Beef consuming Citizens Chikmaglur.

Honoured Sir,

We beg to bring the following grievances of ours for your kind consideration and request that favourable orders may kindly be passed -

We the residents of Chikmaglur and adjoining places who are accustomed to Beef since our childhood, were suddenly put to lot x inconvience and troubles on account of the sudden closing down of the Beef Market in an arbitory manner.

On enquiry we came to know from our regular suppliers that they have been served with an order by the local Municipality to close down their business. Beef medically recognized as rich food containing proteins and locally the physicians describe "Beef" soup in various cases . More over most of the ~~Mid~~ Middle class and poor class people not being in a possession to purchase the ~~cost~~ the costly mutton are accustomed to beef since years together. Your honour may kindly realise owing to the day by day increase of prices of ~~food stuff~~ food-stuffs The poor class people are pulling on with semi starvation and at this juncture , beef especially the food of poor class is stopped and given dead blow for all even without consulting the connected public or the higher Officers of the Government We really feel that it is nothing but our misfortune

We therefore earnestly bessech you to intervein between the dispute of the Municipality and Stall holder and same us by arranging for proper and regular supplies of Beef at an early date

Thanking you in anticipation,

We beg to remain,
Yours most obediently,

SUBJECT Prohibition of the slaughter of cows in Chickmagalur Town and stopping the sale of beef

Sir,

With reference to the correspondence ending with your letter No A3 PR 427/47 dated 5th April 1948 on the above subject, I am directed to state that the question is a matter of large policy and action in this behalf should not have been hurried in the manner in which it was done Further, sufficient time has not also been allowed to the section of the people affected by the resolution, to express their reactions to it and ~~even in~~ the matter of their objections if any Again, the licenses granted to run the stalls were presumably till the end of the official year, but have been terminated abruptly at the tail end thereof In these circumstances representations were made to Government in this behalf by the affected parties and instructions were issued to the Munipipal President not to give effect to this resolution in this office letter No L 16588 dated 5-5-1948, a copy of which has been sent to you also

I am also to point out that the copy of the resolution of 30-6-1948 which was to have been ~~sanctioned~~ approved was also not sent to Government

I am to request that these observations may be brought to the notice of the Municipal Council, so that they may follow the correct procedure in such matters in future

The further report promised may be sent very early

Sir,

With reference to your letter No L 1259 dated 7th August 1948 to the Deputy Commissioner, Chickmagalur on the above subject, I have the honour to state that though the action taken is of an hurried manner it was done as the Idikarnatakas who were living in the vicinity of the shops ere pressing that the shops be shifted and on advise of the inspecting officers such as Commissioner for -- depressed classes and Special Officer for Depressed classes in the State As there was no suitable place to locate the stall elsewhere within the Municipal limits and the lease was only for rental of the building the sale of beef was prohibited in this town, in view of the bill pending before the Assembly

The objections of the Vendors were duly considered by the Municipal Council and they have been given a shop to vend mutton for the year 1948-49

As no further objections from any quarter of the town is received after the incidence the irregularities said to have been followed may kindly be ratified and action taken be approved The Resolution of the Council dated 29 ~~30~~th June 1948 is enclosed for information
